COCC Land Acknowledgement

(Condensed Version)

COCC would like to acknowledge that the beautiful land our campuses reside on, are the original homelands of the **Wasq'ú** (Wasco), and the **Wana Łama** (Warm Springs) people. They ceded this land to the US government in the Treaty of 1855. The **Numu** (Paiute) people were forcibly moved to the Warm Springs Indian Reservation starting in 1879. It is also important to note that the Klamath Trail ran north through this region to the great Celilo Falls trading grounds. Descendants of these original people are thriving members of our communities today. We acknowledge and thank the original stewards of this land.
