PROPOSAL OVERVIEW

In alignment with advisory committee and statewide changes in language we are changing the name of the program from Addiction Studies and Human Services to Addiction Counseling and Behavioral Health. We believe (hope) this will more clearly indicate the service we provide to the community to support substance use disorder (SUD) counselors find the program as well as those interested in entry level behavioral health positions.

BUDGET

No budget changes needed, budget should remain roughly the same.

INSTRUCTIONAL REQUIREMENTS

No additional instructional requirements will be needed.

OPERATIONAL NEEDS, CURRENT AND FUTURE

Will continue to need full and part time faculty to staff courses. Will continue to work closely with the advisory board and practicum placement sites.

STUDENT IMPACT

Hopefully this will have a positive student impact. Creating a shorter/smaller certificate that is embedded in an AAS will support people interested in just completing the core requirements for level one certification as an SUD counselor. The AAS will support those interested in advancing in the field to a level two and possibly even a QMHA (this is in the works with OHA).

ANTICIPATED IMPLEMENTATION TIMELINE

To begin FA 2025.
