

Final Study Guide

Action Steps: Complete an action list for each class listing all the graded activities left for the class – exams, projects, papers, presentations, homework, assignments, etc. Include their due dates.

- a. **For exams:** List all the topics you need to study and all the study strategies you intend to use. Think of this as your preparation to-do list.
- b. **For papers and presentations:** List all the steps you need to take to complete the project.
