

Student name printed _____

COCC ID number _____

Dependent students, as determined by the FAFSA, whose parents refuse to provide support, are not eligible for a dependency override but the student may be able to receive a dependent level Direct Unsubsidized Loan only. For a student to be eligible for this provision, the school must document that the:

- Student’s parents refuse to complete the FAFSA; **or**
- Student’s parents do not and will not provide any direct, indirect, or in-kind financial support to the student (include the date support ended). Direct, indirect or in-kind support includes but not limited to: food, clothing, shelter, cash, medical insurance, automobile insurance, cell phone services, bills paid on behalf of the student, educational expenses paid on behalf of the student.
